The Johnston Co.

THE JOHNSTON COMPANY is underwriting the exciting Hole-in-One \$10,000.00 prize on the course. With the pledges of door prizes accumulating, anticipation is building for the sixth annual outing. The beautiful Isleta Eagle Championship Golf Course is the setting for the event again this year with range balls at 8 am and a 9 am tee time on Friday morning, July 22th, 2016.

We can process your credit card payment!

This event raises money for the FMANM scholarships benefiting students pursuing the mechanical trades at both the University of New Mexico and Central New Mexico Community College. Form your own complete foursome to compete in the "championship" division or register for the "individual" format where FMANM will pair you as an ABCD player so all comers can enjoy the game.

HELP!

With already over 100 golfers signed in for the Facility Manager Association of New Mexico Golf Tournament and Scholarship Fundraiser, please email me today. Let me know you will be on hand bright and early (7 am) on Friday morning, July 22th, at the Isleta Eagle Golf Course to help me register players, log door prizes, and perform other duties as assigned so that this event will sail smoothly through. Even if you do not play, your help is appreciated and necessary.

I still need door prize donations that make the event special. You and your company will receive notice in the newsletter and online for your generosity. If you have something to throw into the mix—golf-related sporting equipment, dinners for two, small tools, gift certificates, company logo-ed promotional products, etc.—please bring them with you to the golf course on the 22th (plastered with your business cards), or call me and I will arrange pick up.

The Facility Manager Association of New Mexico needs its supporters to be generous and help make this event one for the record books. If you have not signed up to participate, it is not too late. Email me at carolee@fmanm.com (preferred) or call me at 505-377-5309 and let me know you are supporting us again this year!

FMANM Vision Statement: Establish and implement an organization to promote education, information, solutions and opportunities associated with the operations, maintenance, and sustainability of facilities.
